François Ost

Belgian lawyer, philosopher and writer, François Ost was born in Brussels in 1952. He teaches at the Facultés Universitaires Saint-Louis in Brussels.

The encounter with Sade is François Ost's opportunity to personally interweave the three areas that are at the heart of his intellectual preoccupations: literature, philosophy and law. Indeed, crystallised around the figure of the 'divine Marquis' are a considerable number of passions and rash judgements upon which the author – focussing on the concept of subversion – endeavours to shed new light.
